

Process Controls and Instrumentation

ABB

LOCAL ABB SALES &
SERVICE: **1-877-NY-ABB11**
(1-877-692-2211)

Flow Measurement: Magmeters, Coriolis Mass, Vortex & Swirl, Variable Area, Wedge & Differential Pressure

Pressure & Temperature: SMART, Multivariable, Safety Critical, Direct & Remote Taylor Seals

Recorders & Controllers: Videographic, Circular Chart, Single Loop Controllers, Indicators

Actuators & Positioners: Continuous Electric and Pneumatic Actuators, Positioners, and I/P Converters

Analytical Instruments: pH/ORP, DO, Conductivity, Organics, Combustion Gas, Oxygen, Turbidity, Calorimetric, Hydrogen Purity, Selectable Ion, Hydrazine, Sodium

ABB

ABB Process
Analytics

Online and Laboratory Process Analyzers: FTIR, FTNIR, Continuous Gas Analyzers (CGA), (CEM), Gas Chromatographs, Photometers, and Other Custom Analyzers

ABB

K-TEK
A MEMBER OF THE ABB GROUP

KM26 Magnetic Level Gauges, **AccuTrak™**, SIL 2 Certified Magnetostrictive Level Transmitter, Laser, Guided Wave Radar and Ultrasonic Level Transmitters, Vibrating Fork and Point Level Switches, Seal Pots

Greyline

Precision Flow Measurement
An OMEGA Brand

Flow and Level Instruments, Portable and Permanent Doppler/Transit Time Meters, Area Velocity Meters, Dataloggers

Honeywell

 | Analytics

Fixed Gas Systems for LEL and Toxic Gases, Infrared, Electro Chemical, Control Panels, Portable Gas Instruments, SCBA's

KAYDEN

INSTRUMENTS

Thermal Dispersion Flow, Level Interface and Temperature Switches

M-System

Signal Conditioners Isolators, Lightning Surge Protectors, Power Transducers

pyromation

beyond measure

RTDs, Thermocouples-T/C Wire, Temperature Transmitters

PRECISION DIGITAL

Digital Panel Meter, Loop Powered Meters, Process and Temperature Meters, Scanners and Annunciators

SAGE

METERS, INC.

Thermal Dispersion Mass Flowmeters and Switches

TEL-TRU
MANUFACTURING CO.
Temperature + Pressure Instruments

BiMetal & Digital Thermometers and Thermowells, RTDs & Temperature Transmitters, Pressure Gauges and Transducers, Sanitary

VERIS

Flow Sensors & Instrumentation, Accelabar Zero Upstream Flow Meter

WIKAI

Gauges: Pressure, Vacuum, Digital and Analog Indicators, Mini and Industrial Diaphragm Seals, Thermometers
